Overview of Data Protection

General Information

The following information provides a simple overview of what happens to your personal data when you visit our website. Personal data refers to any data that can be used to personally identify you. Detailed information on data protection can be found in the privacy policy below this text.

Who is responsible for data collection on this website?

Data processing on this website is carried out by the website operator. The operator's contact details can be found in the imprint of this website.

How do we collect your data?

Your data is collected in part by you providing it to us. This may include data you enter into a contact form. Other data is automatically collected by our IT systems when you visit the website. This includes primarily technical data (e.g., internet browser, operating system, or the time the page was accessed). The collection of this data occurs automatically as soon as you enter our website.

What do we use your data for?

Part of the data is collected to ensure the proper functioning of the website. Other data may be used to analyze user behavior.

What rights do you have regarding your data?

You have the right to receive information free of charge at any time regarding the origin, recipients, and purpose of your stored personal data. You also have the right to request the correction, restriction, or deletion of this data.

If you have any questions about data protection, you can contact us at any time using the address provided in the imprint. You also have the right to lodge a complaint with the relevant supervisory authority.

Additionally, you have the right to request the restriction of the processing of your personal data under certain circumstances. For details, please refer to the section "Right to restriction of processing" in this privacy policy.

Analytics Tools and Third-Party Tools

When visiting our website, your browsing behavior may be statistically evaluated. This is mainly done using cookies and analytics programs. The analysis of your browsing behavior is usually anonymous; your browsing behavior cannot be traced back to you. You can object to this analysis or prevent it by not using certain tools. Detailed information can be found in the following privacy policy.

Protection of Your Data

We treat your personal data confidentially and in accordance with legal data protection regulations as well as this privacy policy.

Your data will not be shared with third parties without your explicit consent, unless required by law or for technical reasons necessary to provide the website and its services.

Data Security

We use state-of-the-art security measures to protect your data from unauthorized access, alteration, disclosure, or destruction. All data transmissions are encrypted using secure protocols.

Use of Cookies

Our website uses cookies. Cookies are small text files stored on your device and do not harm your device. They are used to make our site more user-friendly, effective, and secure. Some cookies remain stored on your device until you delete them. You can set your browser to notify you about the setting of cookies and allow cookies only in individual cases.

External Links

Our website may contain links to external websites. We have no control over the content and data protection practices of these external sites. Please review their privacy policies independently.

Changes to This Policy

We reserve the right to amend this privacy policy at any time to ensure it complies with current legal requirements or to reflect changes to our services. The new privacy policy will apply to your next visit.
